

OPEN HOUSE: Saturday 26 January 2019

Join us at our upcoming Open House and discover more about our Reggio Emilia inspired programme for children 18 months to 6 years old.

“Blue House offers an environment that ignites curiosity and invites children into an active learning process. Time for creativity and exploring the natural environment is abundant, and the school community comes together in the knowledge that learning is best supported through children’s interactions and relationships with peers, families, educators and staff who believe in them.”

Sarah Woon, Head of School

REGISTRATION

PLEASE CLICK HERE TO REGISTER.

DETAILS

Families are invited to explore the school at any time during the opening hours, between 9am and 4pm.

We will offer 4 Presentations during the day and we invite you to register which session you will attend. This discussion hosted by our Head and Deputy Head of School will provide key insight into the Blue House experience and education.

Families will also have the opportunity to talk one on one with members of our team regarding your children.

Tea and coffee will be available from our on site Pantry all day with our compliments, which includes a small play area and changing facilities for infants. Light lunch will be available for purchase at your leisure.

We welcome families with children 6-36 months to explore our on site Infant & Toddler Atelier which offers an interactive play space for children. Please bring socks and all children must be accompanied by an adult at all times, thank you.
