Parent's Testimonial

“Since moving to Singapore my 22-month-old daughter and I have enjoyed the playgroup at Blue House Atelier with Ms Shivanti and her team. Blue House offers a beautiful, engaging and stimulating environment for the children and a great opportunity to meet other parents.

It's a fantastic first introduction to the structured play for young children. My daughter's grandmother who regularly joined sessions and is an experienced educator who has worked around the globe was particularly impressed by the team and program at Blue House. Our family wholeheartedly recommend Blue House Atelier to all!.”
