Breakfast, lunch and afternoon tea are provided and are included in the fees. Children are welcome to pack a snack &/or lunch from home where dietary restrictions or preferences need to be observed (Blue House is nut free).

ADDITIONAL FEES

Slumber programme - 1 time payment of \$80 (includes 1 mattress + 2 covers).

An afternoon nap can be incorporated into your child's day if they are staying for the Full Day programme. At the commencement of this programme, parents will be invoiced \$80, which will cover two sets of sheets and a mattress for each child. These items will only be used for your child and will be taken with you at such time as your child ends this programme.

NTUC Junior Protection Plan Annual Insurance - \$10 p/a

Accidents and injuries may occur as children actively explore and play - this is normal even under the best circumstances of supervision and engagement. The NTUC Junior Protection Plan offers medical fee remuneration up to SGD\$3,000 and assurance that those childhood bumps and bruises that occasionally result in more serious injuries, will be taken care of.
